

Stuart Saltwater – USA – Reel Seats & Butts

Pacific Bay International has succeeded in its quest to offer the most complete line of rod components.

The addition of Stuart Industries' products to our comprehensive lineup represents the commitment to offer top quality, as well as diversity. Stuart's extensive selection of aluminum butts, reel seats, roller guides and tops, are widely used and well recognized throughout the world. Prominent manufacturers and discriminating custom rod builders realize that quality and durability are crucial factors in producing premium offshore fishing rods. Pacific Bay understands this as well, which is why we are proud to be Stuart Industries' exclusive worldwide distributor for their entire line of rod components.
